Sir:

I, (name) Hiromi Mizuno, of (address, prefecture, city, country) c/o Fuji Photo Film Co. Ltd., 798 Miyanodai, Kaisei-machi, Ashigarakami-gun, Kanagawa-ken, Japan, do hereby declare that I have verified the original Japanese text of Japanese Patent Application No. 11 (1999) 257529 in comparison with the English text in the Amendment for the above-referenced U.S. Patent Application filed on November 5, 2003. Specifically in regard to the subject matter amended into the specification of the above-referenced U.S. Patent Application from Japanese Patent Application No. 11 (1999) 257529 on November 5, 2003 (as provided on pages 3 - 7 of the Amendment filed on November 5, 2003), I have verified that, to the best of my knowledge and belief, the subject matter amended into the above-referenced U.S. Patent Application finds full support in Japanese Patent Application No. 11 (1999) 257529, and that no new matter is being introduced into the above-referenced U.S. Patent Application beyond that matter to be found in Japanese Patent Application No. 11 (1999) 257529.
